A mobile application interface for user registration. The screen features a white background with abstract green and yellow shapes. At the top, the text "Your information?" is displayed in a dark blue, serif font. Below this, there are two input fields: "Email address" with an envelope icon and "Password" with a padlock icon and a toggle eye icon. At the bottom, a cartoon character with a yellow and blue body and question marks around its head is positioned next to a green abstract shape. Navigation arrows are located at the bottom corners.
